TÜV SÜD Industrie Service GmbH, test report A 1545-01/06,
A 1545-03/08 and
- a **factory production control**

The Notified Body TÜV SÜD Industrie Service GmbH has performed the initial inspection of the factory and the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

DIN EN 14 471: 2005-11

were applied.

This certificate was first issued on 2006-09-29 and - with respect to the conditions of the certification contract - remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly and latest on 2011-09-28.
